

# Application Letter

Date: Feb 13, 2026

Position Title: Master Degree

Location: Kabul, Afghanistan

To: University

Dear Hiring Manager,

I am writing to express my keen interest in the announced position and to introduce myself as a strong candidate for the role. My name is Rohullah Rahimi, and I possess all the qualifications, experience, and abilities that you are looking for in a candidate.

Throughout my career, I have consistently demonstrated a high level of responsibility, integrity, and commitment to achieving company objectives. I am comfortable working both independently and as part of a team, and I firmly believe that my skills and experience make me an excellent match for the announced position. Additionally, I have impeccable personal and work references.

I have completed a Bachelor's degree in Computer Science (BCS). I possess a wide range of skills and expertise, including websites & Web Applications designing (Sketching, Figma, Photoshop and Adobe XD) and development (**WordPress, HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, React, Vue.js, Angular, jQuery, PHP, Laravel, MySQL and other web development tools**), object-oriented programming, SEO, Git & GitHub, web services, teaching, strong analytical skills, and report writing.

Thank you for considering my application. I look forward to the opportunity to discuss my candidacy in more detail.

Sincerely,

Rohullah Rahimi
